## TRACE NUTRIENTS™ PRODUCT DESCRIPTION

### MULTI-NUTRIENT (METABOLIC) PACKS

Para Pack V*	A multi-vitamin, mineral and herbal supplement providing sympathetic (stimulatory) support. Ideal for slow metabolisers (i.e. parasympathetic dominant individuals, slow oxidation). Contains a synergistic blend of major nutrients to stimulate and rebalance metabolic activity, providing catabolic support.
Sym Pack V*	A multi-vitamin, mineral and herbal supplement providing para-sympathetic (calming) support. Ideal for fast metabolisers (i.e. sympathetic dominant individuals, fast oxidation). Contains a synergistic blend of major nutrients to calm and rebalance metabolic activity, providing anabolic support.

### ENDOCRINE SUPPORT

Aden Complex*	A specialty formulation to support normal adrenal function and adrenal response. Contains adaptogenic herbs, vitamins and minerals for adrenal hormone production to help rebalance neuro-endocrine activity and metabolic rates. Helps relieve nervous tension, stress and anxiety.
---------------	--

### DIGESTIVE AIDS

Digestive-Zyme*	Helps support and normalise pancreatic enzyme production and secretion to improve the digestion and absorption of nutrients. Helps maintain healthy digestive function and prevent nutrient deficiencies.
HCL Plus*	Helps normalise gastric enzyme secretion and support the synthesis of hydrochloric acid (HCL) from the parietal glands in the stomach. Assists protein and nutrient digestion. Helps maintain healthy digestive function and prevent nutritional deficiencies.

### MINERALS

Calcium Plus*	Elemental calcium (capsules) with synergist vitamin D. Assists in the prevention and treatment of osteoporosis (type I), muscular function, nerve transmission, reduce muscle cramp and spasm, restlessness and insomnia associated with calcium deficiency.
Magnesium Plus*	Elemental magnesium with synergist vitamin B6. Supports energy production, neuromuscular coordination and cardiovascular function. Helps relieve muscular aches, pains, cramps, spasms and menstrual symptoms associated with magnesium deficiency.
Potassium Plus*	Elemental potassium with synergists beta-carotene (pro-vitamin A) and vitamin B6. Supports energy production, neuromuscular coordination, cardiovascular function, protein metabolism, water balance, acid alkali balance, kidney and adrenal function.
Zinc Plus*	Elemental zinc (capsules) with synergist vitamin B6. Aids in the relief of the symptoms of colds, muscular aches and pains, treatment of minor skin disorders, supports wound healing, immune function, skin health, fertility and sexual function.
Copper Plus*	Elemental copper with synergist vitamin B2. Copper is necessary for haemoglobin synthesis, iron metabolism and connective tissue maintenance. May assist in the temporary relief of arthritic and rheumatic pain.
Iron Plus*	Elemental iron with synergist vitamin C. Iron is necessary for red blood cell production. May assist in maintaining blood, oxygen transport in the blood, blood clotting, growth and DNA synthesis.
Manganese Plus*	Elemental manganese with synergist vitamin B1. Supports protein and carbohydrate metabolism, blood sugar regulation, thyroid hormone synthesis, blood clotting, brain, bone and connective tissue health.
GT Formula* (Chromium)	Elemental chromium with synergists vitamin B3 and amino acids cysteine, glutamine and glycine. Helps maintain metabolic balance and assisting in the metabolism of carbohydrates and blood glucose regulation.
MolyZinc* (Molybdenum)	Elemental molybdenum with synergists zinc and vitamin C. Promotes strong tooth enamel and may assist in the prevention of cavities. May help reduce copper over-load, aids alcohol detoxification and is a co-factor in uric acid production.

### VITAMINS

Pyridox Plus*	Vitamin B6 with synergists vitamin B1 and manganese. Helps relieve nervous tension, stress, mild anxiety and assists in the maintenance of peripheral circulation and energy production.
Vitamin C Plus*	Vitamin C with synergistic combination of bio-flavonoids and manganese. May assist in the treatment of colds by reducing the severity and duration of symptoms. Helps maintain immune function, wound repair, collagen and connective tissue. Potent antioxidant complex.
Vitamin E Plus* with selenium	Vitamin E water dispersible dry powder (capsules) with major synergist selenium. Supports immune function, thyroid hormone production, with selenium red blood cell production and anti-inflammatory. Natural vitamin E. Potent antioxidant complex.

## ICL HEALTH™ SPECIALTY FORMULATIONS

Algotene* ( <i>Dunaliella marine phytoplankton</i> )	Algotene is a super food natural medicine made from 100% pure Australian whole dried red marine phytoplankton (certified organic). <i>Dunaliella salina</i> is nature's richest source of carotenoid antioxidants and is likely the most nutrient-dense plant on earth. It contains a rich spectrum of nutrients including; vitamins, minerals, protein (amino acids), carbohydrates, essential fatty acids (EFA's), polysaccharides and chlorophyll. Algotene supports overall health and vitality, healthy skin, eyes, immune function and natural detoxification. Helps protect against free radical damage and fights oxidative stress in the body. Promotes healthy ageing. Potent multi-nutrient antioxidant supplement.
Reparen* ( <i>Calcium phosphate</i> )	Reparen is a specialty bone, tissue, muscle repair and support complex. It contains calcium phosphate monobasic, an easily absorbed, water soluble (ionic) form of calcium and phosphate. Reparen assists in the prevention and treatment of osteoporosis (type I and II), aids in wound and tissue repair and bone strength and repair. May help to provide symptomatic relief of muscular cramps and spasms. Helps support healthy heart function, nerve function and cellular bio-energy. Recommended for active, sports and elderly people.
Artemisia Plus* ( <i>Artemisia annua, Fennel &amp; Pau D'arco</i> )	Artemisia Plus is a high potency herbal remedy made from Chinese Wormwood ( <i>Artemisia annua</i> ), Fennel ( <i>Foeniculum vulgare</i> ) and Pau D'arco ( <i>Handroanthus impetiginosus</i> ). Herbs used in traditional medicine systems to help relieve chills and minor fevers, maintain healthy immune function and general wellbeing. Helps support the health of the digestive system. May help to relieve spasm of the gastrointestinal tract, flatulence, bloating and nausea. A versatile herbal complex which can be used alone or as part of a treatment plan. Suitable for home or travel.
MeMax Plus* ( <i>Bacopa, Schizandra and Withania</i> )	MeMax Plus is a high potency herbal remedy containing Brahmi (Bacopa), Schizandra and Withania. MeMax Plus aids mental cognition, including memory, learning and concentration. A nerve and brain tonic that may help to reduce mild anxiety and nervous tension. Recommend to persons wanting to assist their memory retention (eg; students), people with memory problems (eg; elderly) or persons suffering anxiety.

## GOATIES

Goaties ( <i>Goats milk treats</i> )	Goaties are a delicious and nutritious health treat made from pure whole dried goats' milk powder. They are truly an ideal treat for the whole family. While most treats offer no nutritional value at all, Goaties are rich in goodness and contain important nutrients found in goats milk. All natural ingredients. Contains no artificial colours, flavours or preservatives. Low allergenic. Keep within reach of children (and adults).
---	---

- All formulations contain nutritionally bio-available compounds and high grade ingredients. All encapsulated products use only vegetable capsules.
