

# Magnesium Plus

## Bioactive synergistic mineral supplement

This formula contains magnesium in a fully reacted chelated amino acid form, plus synergistic nutrients active vitamin B6 (pyridoxal 5-phosphate) and natural vitamin K2 (Menaquinone 7).

AUST L 314034

### This formulation is involved in:

- J Maintaining body electrolyte balance (Magnesium)
- J Maintaining healthy neuromuscular function (Magnesium)
- J Maintaining nerve conduction and nervous system function (Magnesium)
- J Maintaining bone mineralisation (Menaquinone)
- J Supporting heart health (Magnesium)
- J Supporting energy levels (Magnesium)
- J Supporting healthy immune system function (Magnesium and Pyridoxine)
- J Assisting in the metabolism of carbohydrates, fats and proteins (Magnesium and Pyridoxine)
- J Maintaining healthy teeth (Magnesium)
- J Assisting healthy red blood cell production (Pyridoxine)
- J Maintaining healthy cardiovascular system function (Magnesium)
- J Helping support haemoglobin synthesis (Pyridoxine)
- J Supporting immune system health (Pyridoxine)
- J Aiding synthesis of neurotransmitters (Pyridoxine)
- J Supporting bone health (Magnesium)
- J Maintaining blood health (Menaquinone)

### Product Specifications

Each tablet contains:

Magnesium	
(Magnesium glycinate dihydrate)	150 mg
Pyridoxal 5-phosphate (P5P)	2.92 mg
Equiv. pyridoxine (vitamin B6)	2 mg
Menaquinone 7	
(natural Vitamin K2)	10 micrograms

### Ingredients in this product have been formulated without:

Gluten, wheat, milk products, egg, yeast, soy, fish, crustaceans, molluscs, peanuts, tree nuts, sesame, bee products, gelatin, sugar, artificial preservatives, colours or flavours.

### Excipients

Acacia, carnauba wax, croscarmellose sodium colloidal anhydrous silica, glycerol, guar gum, hypomellose, lecithin, magnesium stearate, maize starch, maltodextrin, microcrystalline cellulose, purified water.

### Recommended Dosage:

Adults: 1 tablet, 2-3 times daily or as directed by your health care professional.

### Pack Size:

90 Film Coated Tablets

### Note:

All minerals are quoted as elemental.

Blended, tableted and packaged in AUSTRALIA.
