

# Digestive Zyme

Herbal & Nutritional Digestive Supplement

*A comprehensive support formula combining active enzymes and traditional herbs to enhance gastric secretions and healthy digestive function.*

*Formulated to improve the absorption of nutrients and calm digestive discomfort.*

*Lactase, Lipase and Protease aid the digestion of lactose, fats and proteins, with the support of Barberry, Globe Artichoke and Ginger.*

## Nutritional Therapy

Bioactive Bioavailable Quality Ingredients

This formula contains Barberry (*Berberis Vulgaris*) to stimulate gastric secretions and relieve symptoms of indigestion, the carminative herb Ginger (*Zingiber Officinalis*) is added to relieve spasm, colic and flatulence. Ginger is also traditionally known to 'stoke the digestive fire'.

Contains therapeutic levels of the digestive enzymes lactase, lipase and protease to improve the digestion of lactase, fats and proteins further supporting digestive system function.

Globe Artichoke (*Cynara Scolymus*) and the nutrients Taurine and glycine additionally support this formula.
