

Silica Advanced

Bioactive Synergistic Mineral Supplement

Silica Advanced supports the formation of collagen for healthy hair, skin, and nails, and the production and maintenance of joints, bones, ligaments, and tendons.

Silica Advanced contains Mesoporosil® Silica, a highly bioavailable form of silicon that absorbs quickly and as shown in studies can be longer acting⁽¹⁾.

Formulated with synergistic cofactors and antioxidants, Grape seed extract, Alpha-lipoic acid and amino acids proline, lysine, histidine, and cysteine.

Nutritional Therapy

Bioactive Bioavailable Quality Ingredients

Silicon is implicated in collagen synthesis, skin, hair and nail health, and contributes to the strength and elasticity of connective tissues.

Silica Advanced contains Mesoporosil® a highly bioavailable, colourless, tasteless and odorless form of silicon. This innovative ingredient produced from a patented process, has higher absorption properties supported by evidence based studies⁽¹⁾. It is transported across the human intestinal wall by a mechanism of passive diffusion via the paracellular route.

Collagen is the most abundant protein in connective tissue. Silicon is essential for the production and cross-linking of the collagen fibers.

What you need to know about this supplement

- Support collagen formation. (Silicon)
- Maintain skin integrity and structure. (Silicon)
- Maintain hair, skin and nail health. (Silicon)
- Support tendon health and healthy ligaments. (Silicon)
- Helps maintain bone mineralisation and aids healthy bone building. (Silicon)
- Assists connective tissue production. (Silicon)
- Helps maintain healthy joint cartilage production. (Silicon)
- Support Silicon levels in the body. (Silicon)
- Antioxidant; reduces free radicals formed in the body. (*Vitis vinifera* - Grape seed extract; Alpha-lipoic acid).
- Supports energy production (Alpha-lipoic acid)

Contains Mesoporosil®

For Practitioner Dispensing Only

Specifications

60 Vegetarian Hard Capsules

19mm

8mm | 

Description: Hard Capsule

Dosage: Adults: Take 1 capsule with water twice daily or as directed by your healthcare professional.

Vegan friendly

Made in Australia

AUST L 427277

Allergen & Free From

Ingredients in this product have been formulated **without** gluten, wheat, milk products, yeast, soy, egg, gelatin, fish, molluscs, crustaceans, sesame, peanuts, tree nuts, bee products, sulfites, artificial preservatives, colours or flavours.

Each Capsule Contains:

Silicon dioxide (from Mesoporsil®)	20 mg
Equiv. Silicon	7 mg
Colloidal anhydrous silica	6.43 mg
Equiv. Silicon	3 mg
Total Silicon	10 mg
<i>Vitis vinifera</i> ext. dry conc.	100 mg
Derived from min seed dry	
Stand. to proanthocyanidins	12 g
(OPC's (95%))	95 mg
Alpha lipoic acid	50 mg
Cysteine hydrochloride monohydrate	21.75 mg
Equiv. Cysteine	15 mg
Histidine	15 mg
Lysine hydrochloride	15 mg
Proline	15 mg

Excipients calcium hydrogen phosphate dihydrate
croscarmellose sodium hypromellose
magnesium stearate microcrystalline cellulose.

Vitamins and minerals can only be of assistance if dietary intake is inadequate.
